

Serial No.: 10/563,353
Docket No.: 28955.4040

REMARKS

Claims 1-13, as amended, remain herein. Claim 2 has been amended. Support for the amendments may be found throughout the specification (see, e.g., original claim 2).

Claim 2 has been amended to restore and clarify that 2.9 eV is less than ($<$) not less than or equal to (\leq) E_g (ETM) in relation (IV). The Examiner's Amendment mailed February 19, 2010 mistakenly changed this relation to 2.9 eV being less than or equal to E_g (ETM).

No new matter is added. Please enter this amendment without withdrawing this application from allowance.

Applicants also request that the USPTO confirm that all claims 1-13 have been allowed as the Notice of Allowability does not indicate by number which claims are allowed.

The PTO is authorized to charge/credit any necessary fees and/or refunds to Deposit Account No. 19-4293.

Respectfully submitted,

STEPTOE & JOHNSON LLP
